

# DIZZY DEAN BASEBALL

**"FUN, CHARACTER, WINNERS"**

**By: Billy J. Powell**

**Commissioner - 97/98**

*Dizzy Dean Baseball is not for coaches, parents, or spectators. Dizzy Dean Baseball is for the youth that play the game. One of the greatest outlets for youth is baseball. As a professional, Dizzy Dean played baseball for the love of the game and with the enthusiasm, intensity and energy of the youth that play the game today. He played because it was fun. We must continue to make baseball a fun game without placing undue pressure and stress on our youth. Our youth come first, winning second. When you build the character in a youth, you build a winner.*

*There was no organized baseball in Arkansas while Dizzy Dean was growing up and he was denied the opportunity to play baseball as a young boy. It was Dizzy Dean's dream that one day every young person would have the opportunity to play baseball. We, the National Board of Directors of Dizzy Dean Baseball, Inc., are dedicated to giving our youth this opportunity and promise to provide them with the best baseball program available today. This was Dizzy Dean's dream; this is what Dizzy Dean Baseball is about.*

A handwritten signature in black ink that reads "Danny Phillips". The signature is written in a cursive, flowing style.

Commissioner**

# **COMMUNICABLE DISEASE PROCEDURES**

While risk of one athlete infecting another with HIV/AIDS during competition is close to non-existent, there is a remote risk that other blood borne infectious diseases can be transmitted. For example, Hepatitis B can be present in blood as well as in other body fluids. Procedures for reducing the potential for transmission of these infectious agents should include, but not be limited to, the following:

1. The bleeding must be stopped, the open wound covered and if there is an excessive amount of blood on the uniform, it must be changed before the athlete may participate.
2. Routine use of gloves or other precautions to prevent skin and mucous membrane exposure when contact with blood or other body fluids is anticipated.
3. Immediately wash hands and other skin surfaces if contaminated (in contact) with blood or other body fluids. Wash hands immediately after removing gloves.
4. Clean all contaminated surfaces and equipment with an appropriate disinfectant before competition resumes.
5. Practice proper disposal procedures to prevent injuries caused by needles, scalpels and other sharp instruments or devices.
6. Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available for use.
7. Athletic trainers/coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition resolves.
8. Contaminated towels should be properly disposed of/disinfected.
9. Follow acceptable guidelines in the immediate control of bleeding and when handling bloody dressings, mouth guards and other articles containing body fluids.

*Additional information is available from your state high school association  
and from  
the National Federation.*

# **CHILD ABUSE / MOLESTATION STATEMENT**

1. Dizzy Dean Baseball, Inc. abhors all forms of child abuse including verbal abuse, physical abuse, emotional abuse, and sexual abuse and is committed to addressing these concerns by providing risk management guidelines that will lessen, but not totally eliminate the chance of an occurrence. Failure of leagues to implement these risk management precautions may expose such leagues and their officials, volunteers, and other representatives to significant legal liability.
2. Dizzy Dean Baseball, Inc. has no operational control over league security including the selection of volunteers associated with independent leagues, which are affiliated with its program. Therefore, it is the sole responsibility of the independent league to take action to adopt and implement sound risk management precautions.
3. Dizzy Dean Baseball, Inc. strongly recommends that all leagues adopt and implement a child abuse / molestation risk management program. Guidelines for establishing such a program are available on the Dizzy Dean Baseball website or a league may develop a similar comprehensive program.
4. Elements of a sound child abuse / molestation risk management program are as follows:
  - a) Screen all volunteers who have repeated access to youth by requiring completion of a volunteer application and by running a criminal background check. All criminal background checks indicating a conviction involving crimes against a minor must result in disqualification of the volunteer. In addition, other charges and convictions may be an indication of an unfit volunteer and may result in disqualification.
  - b) Distribute materials to educate administrators, volunteers, and parents on the warning signs of child abuse / molestation and how to respond to an allegation.
  - c) Appoint a conduct official to administer the program and to be the primary contact for allegations of child abuse / molestation.
  - d) Encourage the use of a "buddy system" where a non-related adult is never alone with a single child.
  - e) Encourage the use of take home/pickup policies to ensure that a single child is not being transported by a volunteer as a result of a parent failing to pick up a child in a timely fashion.
  - f) Prohibition of any overnight sleep over event at any official's house.
  - g) Limiting the distribution of directories / rosters with names, phone numbers, addresses, and pictures to persons on a "need to know" basis.

## **PRAYER**

*Oh Lord, it is with joy we begin this year of Dizzy Dean Baseball. We always want your blessings and pray for You to give us a desire to make a happy season of games. Help us to be more thankful to You by strengthening our minds, morals and bodies.*

*Oh God, we thank You for the many blessings You have given us. We pray that the Holy Spirit will lead in the guiding and training of young people in the enjoyable game of baseball. Help us to always remember that growing a strong moral character is very important. Oh God, we ask You to be with our young people that they may always keep their bodies in good physical shape, to always be mentally active, to always play the game fair and square to the very best of their ability. Help them to always be good sportsmen so that they may develop mentally, physically and spiritually even as did our dear Lord whose holy name we pray.*

*Amen.*

# DIZZY DEAN BASEBALL, INC.

Dizzy Dean Baseball has been organized as a youth baseball program for all youth regardless of sex, religion, race or color, five (5) through nineteen (19) years of age.

- The game is played on a baseball field suitable to the physical development of growing youngsters.
- The main purpose of this program is to expand Dizzy Dean Baseball and to provide a recreational outlet for as many youth as possible with emphasis being on local league play rather than tournament play. However, state tournaments and Dizzy Dean World Series are for leagues wishing to participate.

The actual playing of Dizzy Dean Baseball is the same as in professional groups except that monetary fines and similar penalties are omitted and coverage, which fits the amateur game, is provided.

- Appropriate suspensions are allowed.

Leagues affiliating themselves with this program must comply with a basic set of rules and regulations as outlined in this booklet.

## DIZZY DEAN BASEBALL, INC. ORGANIZATIONAL STRUCTURE

Each team may have a manager and three (3) coaches. The manager will be the official in charge of the team, and the responsibility for the team will be that of the manager. The coaches will assist the manager. A team board of directors is optional. The above rule will apply to communities that are only able to field one team, such as where four or more communities come together to form a league. Communities that plan to field a complete league composed of at least four teams will begin their organization with Article II that follows (*Refer to Section 11:00 for Tournament Play*).

- Any deviation from these rules must be made by the State National Executive Board and approved by the National Commissioner of Dizzy Dean Baseball, Inc.

Your organization will not be considered to be franchised until your application has been received and approved. All organizations must reapply each year for consideration.

Section 5. Each league or groups of leagues are to adopt a set of rules and regulations for the operation of the league or leagues which do not conflict with rules of Dizzy Dean Baseball, Inc. In communities having two or more leagues, it may be advisable to have one set of officers and adopt the same rules and regulations. This, however, is optional and will be determined by the various leagues. The operation of more than one league with the same officers must be agreed upon by the managers of the various leagues.

**Rules Changes Or Additions Are Noted In RED Type.**

This spring while kids are making plays on the baseball field, their parents and coaches will probably be making headlines - for violence. These days, youngsters in the batting box aren't the only ones doing the swinging. Arrests have been made across the country of overzealous sports parents and coaches for assaulting referees, coaches and players. With a new baseball season just getting underway, now is the perfect time to interview sports psychology consultant Jack Llewellyn, Ph.D., for ways to bring the fun and sanity back to youth baseball. ## MINOR LEAGUE RULES

### AGES 9-10

All coaches and leagues must try to get rule interpretations and problems solved by their state and national officers before contacting the Commissioner's office.

The Minor League division of Dizzy Dean Baseball, Inc. has been organized as a baseball program for youth whose 9th or 10th birthday falls on or before April thirtieth (30th) of the current year.

- Rules set forth in this book shall govern all tournament play.
- It is suggested that individual leagues follow these rules in local league play; however, they may be adapted to fit local league play at the option of each individual league.

#### 1:00 THE PLAYING FIELD

These rules are mandatory for tournament play only.

- 1:03** First (1st) and third (3rd) baselines shall be sixty (60) feet from the point of home plate.
- 1:04** The distance from the point of home plate to second (2nd) base and from first (1st) base to third (3rd) base shall be (84) feet (10) inches.
- 1:09** The pitching distance from the point of home plate to the front of the rubber shall be forty-six (46) feet.
- 1:10** The minimum recommended home-run distance shall be 200 feet.
- 1:11** The height of the pitching mound above the level of home plate shall be raised by gradual slope to a height of 6 inches.
- 1:12** The strike zone shall comply with major league rules.

#### 2:00 EQUIPMENT

- 2:16** Catcher's must wear a chest protector, shin-guards, protective cup (MALE CATCHERS ONLY), mask and a throat protector. *See Common Rule 2:02.*
- 2:18** Metal cleats will not be allowed for participants (coaches, players, and umpires) twelve (12) years and under.

#### 4:00 MANAGER & COACHES

- 4:07** Any manager who calls time and goes on to the playing field more than twice (2) in one (1) inning per pitcher (not game) to talk to a player or players, will be required to remove the current pitcher.
- He may return to the mound after the side has been retired if eligible.
- 4:08** Any manager or coach going on to the playing field to talk to the same batter (or batter going to the dugout or bench to talk to a manager or coach) more than one (1) time per batter or three (3) times per inning will be required to remove the current batter from the game and make the substitution in the lineup.
- He may re-enter at completion of the inning if he can do so without violating the substitution rule.

- **NOTE:** *The only exception to rule 4:07 and 4:08 is in case of injury, or if time is called by the opposing team or the umpire.*

### **5:00 REGULATION GAMES**

**5:05** In league play, it is a regulation game if it is called by the umpire due to darkness, rain or other cause which in the umpire's judgment interfered with further play, provided that:

- a) four (4) or more innings have been played, or
  - b) three and one half (3 1/2) innings shall constitute a legal game if the home team is ahead at the end of the half (1/2) inning, or before the end of the fourth (4th) inning if the home team is ahead.
    - In the event of a partial inning beyond 4 innings, if the visiting team has not completed batting or the visiting team is ahead, you would revert back to the last completed inning.
    - If one-half inning is completed and home team is ahead the game is ended at that point with home team winning.
- In the event that a game is halted before completion for any cause, it must be resumed from the point of termination when the game is rescheduled by league officials, with as nearly the same lineup as possible.
  - **EXCEPTION:** *If a team is leading its opponent by at least fifteen (15) runs at the end of the third (3rd) inning or ten (10) runs at the end of the fourth (4th) inning the game shall be terminated and the team in front declared the winner. This rule to apply in all local league play.*
  - **WARNING: DO NOT VIOLATE ANY PITCHING RULES.**

**5:06** Games shall be six (6) innings in duration. In case of a tie at the end of the 6th inning of play the game shall go into extra innings until a winner is established or the game is called by the umpire.

### **6:00 PITCHING RULES-MINORS**

**6:02** An inning is interpreted to mean the following:

- If a pitcher pitches to one (1) batter and is removed from the pitching mound before he is retired, he is only charged with one-third (1/3) of an inning.
- If he is removed after retiring one (1) batter but after he has pitched to the next batter he is charged with two-thirds (2/3) of an inning.
- If he is removed after he has retired two (2) batters and has pitched one (1) pitch to the next batter, he is charged with one (1) complete inning.

## MINOR LEAGUE

- 6:04** When a pitcher is turned in on a line-up card (or any new pitcher who toes the rubber and throws a warm up pitch to begin a new inning), he is the pitcher of record and shall pitch to the batter then at bat, or any substitute batter, until such batter is put out or reaches first base before he can be replaced or substituted and he will be charged with a minimum of one third (1/3) of an inning (unless the new pitcher becomes injured or ill, during warm-up's, and he will not be charged with any innings pitched). *Refer to Common Rule 3:04.*
- *NOTE: Once an illegal pitcher toes the rubber and throws a warm-up pitch and the opposing manager protests, the game is forfeited at that point.*
- 6:09** A pitcher can pitch in consecutive games in the same day if he does not violate any of the following rules.
- 6:10** Any pitcher playing in the same game may return to the mound one time. If a game is delayed for any reason, he may be allowed to continue.
- 6:11** If a pitcher pitches beyond his allotted innings per game, per day, per week or per tournament because of a double or triple play, there is no penalty (He was legal when the pitch was made).
- The pitcher will be removed after the outs are made.
- 6:12** A pitcher is allowed 8 innings each week.
- 6:13** A pitcher may pitch 12 innings in a tournament.
- 6:14** If any pitcher pitches three (3) full innings and then throws to another batter in the SAME GAME OR DAY, he will not be eligible to pitch until he has had 48 hours rest, beginning with the time he leaves the pitching mound as a pitcher.
- 6:15** If a pitcher pitches no more than three (3) full innings in any day, he may be used on as many consecutive days as desired provided he does not exceed the 8 inning rule (12 in tournament play).
- 6:16** A pitcher is limited to seven (7) innings in a GAME OR DAY. No pitcher may pitch over seven (7) innings in a day.
- a) If a pitcher pitches one (1) pitch over three (3) innings, he will be required to rest for forty-eight (48) hours.
    - If there is a second game in the same day, he will be ineligible to pitch if he has pitched over three (3) innings in his first game.
  - b) If the game has been delayed until the next day and he has pitched more than three (3) innings, he will be required to rest forty-eight (48) hours before returning to the mound, beginning at the time he left the mound.

- c) Under the re-entry substitute rule a pitcher may be replaced on the mound during any part of the game and return to the mound one (1) time.

**EXAMPLE:** A pitcher may pitch and be replaced with a substitute and then return to the mound one time as a pitcher. *See Common Rule 3:01 and 6:02.* Applies to same game only.

- Once a pitcher has pitched one pitch over three (3) innings and leaves the mound, he may not return as a pitcher until he has had forty (48) hours rest.
- All pitching applies to that game regardless of the delay.
- **WARNING: DO NOT VIOLATE ANY PITCHING RULES.**

**6:17** If a pitcher, after coming in contact with the pitching rubber, with runner(s) on base, feints a throw to home plate, a balk will be called, with no one on base a ball will be called.

- *NOTE: This is the only instance where a balk can be called in minor league division.*

#### **7:00 FORFEITURES, APPEALS AND PROTESTS**

**7:18** The umpire may call time-out for injury or protest. These time-outs will not be charged to a team.

**7:19** An appeal play will be handled in this manner. The manager will make his appeal to the plate umpire who will consult the base umpire.

- The manager must identify the correct player by name or number and also the correct base involved in the play, *no second chance if he names the wrong player or base.*
- If he is correct, the base runner is out.
- Appeal must be made before the next pitch is thrown.

#### **9:00 SPECIAL RULES**

**9:06** In league play all ground rules must be given on paper to the visiting manager and coach. Only those rules will be honored. You cannot make up ground rules as the game progresses. These ground rules must be filed with the league president before the schedule begins.

**9:07** In tournament play all ground rules will be covered between coaches and umpires before each game.

**9:17** Three (3) strikes is an out even if the ball is dropped.

## MINOR LEAGUE

- 9:18** Any base runner leaving the base before the ball reaches home plate is out (*umpire's decision*).
- The ball is dead and all other runners return to base occupied prior to pitch.
  - The pitch will not count.
  - If a runner misses a base it will be an appeal play to the umpire (*See appeals and protests*).
- 9:19** Once the pitcher has possession of the ball and is in contact with the pitching rubber, any base runner who does not immediately advance to the next base or return to the previously occupied base is out (*umpires decision*).
- The ball is dead and no other runners may advance until the next pitched ball has crossed home plate.
  - *EXCEPTION: The runner is not out if a play is made on the runner (i.e., making a move toward the runner or faking a throw).*

## 10:00 TEAMS

- 10:06** All teams 9 and 10 will be allowed eighteen (18) players whose names shall be registered with the league president by April 15th.
- 10:07** Managers may not sign new players after April 15th for ages 9 and 10. A violation of this rule will make the player ineligible for tournament selections and reason for protest in local or tournament play.

## 19:00 TOURNAMENTS

- 19:22** (Minors) In all World Series and tournament play, in order for a game to become a complete game, it must be a full six (6) inning contest, regardless of the delay; and no other tournament game can be started until the completion of the interrupted game.
- All games shall be six (6) innings duration, unless the losing manager wishes to concede without penalty.
  - *EXCEPTION: If a team is leading its opponent by at least fifteen (15) runs at the end of the third (3rd) inning, or ten (10) runs at the end of the fourth (4th) inning, or any inning thereafter, the game shall be terminated and the team in front declared the winner in all tournament play. Refer to tournament rules, Common section 19:00.*

## SOPHOMORE LEAGUE RULES

### AGES 13-14

All coaches and leagues must try to get rule interpretations and problems solved by their state and national officers before contacting the Commissioner's office.

The Sophomore League Division of Dizzy Dean Baseball, Inc. has been organized as a baseball program for youth whose 13th or 14th birthday falls before April thirtieth (30th) of the current year. Rules set forth in this book shall govern all tournament play.

It is suggested that individual leagues follow these rules in local league play; however, they may be adapted to fit local league play at the option of each individual league.

In league play, you may double sanction 13-14 Sophomore Division and 15-16 Junior Division. You can then play 13-16 year olds or any combination (Example: 13-16 year olds). You can then have a tournament team in each individual age group.

(Example: 13 & under, 14 & under, 16 & under). This also applies to 15-16 Juniors and 17-19 Seniors. Under no circumstance can 13-14 Sophomore play with 17-19 Senior.

### 1:00 THE PLAYING FIELD

**2:19** Metal cleats will be allowed for participants (coaches and players) thirteen (13) years and up.

**2:20** Each bat shall be:

**4:10** Any manager or coach going on to the playing field to talk to the same batter (or a batter going to the dugout or bench to talk to a manager or coach) more than twice (2) in one (1) time at bat will be required to remove the current batter from the game and make the substitution in the lineup.

- He may re-enter at completion of the inning if he can do so without violating the substitution rule.

### 5:00 REGULATION GAMES

**5:05** In league play, it is a regulation game if it is called by the umpire due to darkness, rain or other cause which in the umpire's judgment interfered with further play, provided that:

- a) four (4) or more innings have been played, or
  - b) three and one half (3 1/2) innings shall constitute a legal game if the home team is ahead at the end of the half (1/2) inning, or before the end of the fourth (4th) inning if the home team is ahead (in the event of a partial inning beyond 4 innings, if the visiting team has not completed batting or the visiting team is ahead you would revert back to the last completed inning, if one-half inning is completed and home team is ahead the game is ended at that point with home team winning).
- In the event that a game is halted before completion for any cause it must be resumed from the point of termination when the game is rescheduled by league officials with the same lineup as possible.
  - *EXCEPTION: If a team is leading its opponent by at least fifteen (15) runs at the end of the fourth (4th) inning or ten (10) runs at the end of the fifth (5th) inning the game shall be terminated and the team in front declared the winner. This rule to apply in all local league play.*

- 6:04** When a pitcher is turned in on a line-up card (or any new pitcher who toes the rubber and throws a warm up pitch to begin a new inning), he is the pitcher of record and shall pitch to the batter then at bat, or any substitute batter, until such batter is put out or reaches first base before he can be replaced or substituted and he will be charged with a minimum of one third (1/3) of an inning (unless the new pitcher becomes injured or ill, during warm-up's, and he will not be charged with any innings pitched). *Refer to Common Rule 3:04.*

- 6:09** A pitcher can pitch in consecutive games in the same day if he does not violate any of the following rules.
