DIZZY DEAN SOFTBALL

PRAYER

Oh Lord, it is with joy we begin this year of Dizzy Dean Softball. We always want your blessings and pray for you to give us a desire to make a happy season of games. Help us to be more thankful to You by strengthening our minds, morals and bodies.

Oh God, we thank You for the many blessings You have given us. We pray that the Holy Spirit will lead in the guiding and training of young people in the enjoyable game of softball. Help us to always remember that growing a strong moral character is very important.

Oh God, we ask You to be with our young people that they may always keep their bodies in good physical shape, to always be mentally active, to always play the game fair and square to the very best of their ability. Help them to always be good sportsmen so that they may develop mentally, physically and spiritually even as did our dear Lord whose holy name we pray.

Amen.

Glen Fuller

Past National Director, GA

(Deceased National Board Member)

CHILD ABUSE / MOLESTATION STATEMENT

1. Dizzy Dean Baseball, Inc. abhors all forms of child abuse including verbal abuse, physical abuse, emotional abuse, and sexual abuse and is committed to addressing these concerns by providing risk management guidelines that will lessen, but not totally eliminate the chance of an occurrence. Failure of leagues to implement these risk management precautions may expose such leagues and their officials, volunteers, and other representatives to significant legal liability.
2. Dizzy Dean Baseball, Inc. has no operational control over league security including the selection of volunteers associated with independent leagues, which are affiliated with its program. Therefore, it is the sole responsibility of the independent league to take action to adopt and implement sound risk management precautions.
3. Dizzy Dean Baseball, Inc. strongly recommends that all leagues adopt and implement a child abuse / molestation risk management program. Guidelines for establishing such a program are available on the Dizzy Dean Baseball website or a league may develop a similar comprehensive program.
4. Elements of a sound child abuse / molestation risk management program are as follows:
 - a) Screen all volunteers who have repeated access to youth by requiring completion of a volunteer application and by running a criminal background check. All criminal background checks indicating a conviction involving crimes against a minor must result in disqualification of the volunteer. In addition, other charges and convictions may be an indication of an unfit volunteer and may result in disqualification.
 - b) Distribute materials to educate administrators, volunteers, and parents on the warning signs of child abuse/molestation and how to respond to an allegation.
 - c) Appoint a conduct official to administer the program and to be the primary contact for allegations of child abuse/molestation.
 - d) Encourage the use of a "buddy system" where a non-related adult is never alone with a single child.
 - e) Encourage the use of take home/pickup policies to ensure that a single child is not being transported by a volunteer as a result of a parent failing to pick up a child in a timely fashion.
 - f) Prohibition of any overnight sleep over event at any official's house.
 - g) Limiting the distribution of directories/rosters with names, phone numbers, addresses, and pictures to persons on a "need to know" basis.

RULES AND PROCEDURES COMMUNICABLE DISEASE PROCEDURES

While risk of one athlete infecting another with HIV/AIDS during competition is close to non-existent, there is a remote risk that other blood borne infectious diseases can be transmitted. For example, Hepatitis B can be present in blood as well as in other body fluids. Procedures for reducing the potential for transmission of these infectious agents should include, but not be limited to, the following:

1. The bleeding must be stopped, the open wound covered and if there is an excessive amount of blood on the uniform, it must be changed before the athlete may participate.
2. Routine use of gloves or other precautions to prevent skin and mucous membrane exposure when contact with blood or other body fluids is anticipated.

3. Immediately wash hands and other skin surfaces if contaminated (in contact) with blood or other body fluids. Wash hands immediately after removing gloves.
4. Clean all contaminated surfaces and equipment with an appropriate disinfectant before competition resumes.
5. Practice proper disposal procedures to prevent injuries caused by needles, scalpels and other sharp instruments or devices.
6. Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available for use.
7. Athletic trainers/coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition resolves.
8. Contaminated towels should be properly disposed of/disinfected.
9. Follow acceptable guidelines in the immediate control of bleeding and when handling bloody dressings, mouth guards and other articles containing body fluids.

Additional information is available from your state high school association and from the National Federation.

DIZZY DEAN SOFTBALL

Dizzy Dean Softball is a division of Dizzy Dean Baseball, Inc. It has been organized as a youth softball program for all youth regardless of religion, race or color.

- Leagues have been established for players from five (5) through nineteen (19) years of age.
- The game is played on a softball field suitable for the physical development of growing youngsters.

The main purpose of this program is to expand Dizzy Dean Softball and to provide a recreation outlet for as many youth as possible with emphasis being on local league play rather than tournament play. However, District Tournaments, State Tournaments and Dizzy Dean World Series are for leagues wishing to participate.

- Leagues affiliating themselves with this program must be familiar with the basic set of rules outlined in this book.
- It is suggested that individual leagues follow these rules in local league play; however, they may be adapted to fit local league play at the option of each individual league.

Any deviation from these rules must be made by the National State Executive board and approved by the Commissioner of Dizzy Dean Softball.

FINANCE

Section 1. A franchise fee shall be charged each team affiliating itself with the corporation. Division will be determined from time to time by the national board of directors to suit particular needs and circumstances.

This spring while kids are making plays on the baseball field, their parents and coaches will probably be making headlines - for violence. These days, youngsters in the batting box aren't the only ones doing the swinging. Arrests have been made across the country of overzealous sports parents and coaches for assaulting referees, coaches and players. With a new baseball season just getting underway, now is the perfect time to interview sports psychology consultant Jack Llewellyn, Ph.D., for ways to bring the fun and sanity back to youth baseball.
